Dear Donor,

The Stockdale Chamber of Commerce is leading a fundraiser to install a new back stop and dugouts for the City Park Softball Field. The City Park Softball Field is in major need of an upgrade. As you may, or may not know, the little league as well as the High School Softball Teams all utilize this facility. The vision is to tear down the existing backstop and dugouts and rebuild them with cinder blocks and new fencing. This would be very special for all of these athletes, as they would take so much pride and honor in playing on their beautiful new home field.

This vision is not a cheap, but with your help we can all do something special for the community. We are asking for your help in sponsoring this project. With your Business **tax deductible** donation, your name would go on a sign that would be posted on the fence. We have set a goal of at least \$15,000 to get this project started. Please help us in reaching this goal and bringing pride to our home field! For more information on this project please contact Curtis Osborne @ 830-243-0117

Sincerely, **Joshua Heimann, President of Stockdale Chamber of Commerce**

Directors: Joshua Heimann (President), Wesley Hodge (VP), Kaci Johnson (Secretary), Tabatha Borchardt (Treasurer), Henry Rivera, Curtis Osborne, Kyle Wellman, Ernest Gonzales, Randall Lingo, Sara Byrd
